S. A. I. L. IS SWIMMING IN GREENVILLE

S:A.I.L is the Swim Association Invitational League, founded in 1964 and composed of 26 local teams with over 2,300 swimmers.

Originally founded as PYA (Parent Youth Association) the swimming league began with four teams: Stone Lake, McCarter, Botany Woods, and Chetsu. In 1965 the name was changed to S.A.I.L. Early in the 70's three divisions were formed due to the rapid growth: Red, White, and Blue, a fourth, Green followed later, and this year a fifth, Gold, was added.

During the eight week season of SAIL swimming, dual or tri-meets are held, each at local community pools in the Greenville area. This leads to the Divisional Championships, probably the biggest day of swimming in the United States, when all 2,300 + swimmers compete for individual and team honors in five locations in Greenville. It takes 350+ officials to run this large meet.

Culminating the SAIL swim season are the Championship and the Classic, where the top swimmers compete for ribbons and medals. The Championship brings together the 13th through 30th place best SAIL swimmers into competition for each individual event. The following day, the Classic matches the top 12 swimmers in each event and each age bracket. Many previous year records are broken by these outstanding swimmers.

The program is broken down into age groups to provide the swimmers, who range from 5 to 18 years, fair competition, and combines relays and individual events within these age groups. With this broad and diversified program, SAIL provides each swimmer with the capability of spring-boarding to national programs. SAIL swimmers have participated in state, regional, national, and international meets as a direct result of this program.

SAIL is for kids; the goals are to teach sportsmanship, physical fitness, discipline, and team spirit. SAIL is a unique program, probably the largest swimming association in the country. This is due to the dedication of these swimmers, the parents who volunteer their time and support, the determined coaches, and the outstanding enthusiasm of the community.

1982 SAIL Divisions are:

RED	WHITE	BLUE	GREEN	GOLD
1. Forrester Woods	1. Botany Woods	1. Devenger	1. Foxcroft	1. Knollwood
2. Gower	2. Dove Tree	2. Del Norte	2. Peppertree	2. McCarter
3. Greenville Country Club	3. Edwards Forest	3. Holly Tree	3. Rusty Brook	3. Northside Gardens
4. Pelham-Merrifield	4. Kingsgate	4. Pebble Creek	4. Stone Lake	4. Poinsettia
Pilgrims Point	5. Pelmountco	5. McForest-	5. Wellington	5. Wade Hampton
5. Sugar Creek		Chetsu	Green	Gardens
				6. Woody Creek

DEDICATED TO THE

MEMORY

OF

ANGELA KING

AN OPEN LETTER TO GREENVILLE COUNTY COUNCIL

Dear Councilmen,

We of SAIL, the GRY swim team, and PAC swim team understand that you are about to vote on a bond issue that would have great impact on the present and future growth of Greenville County. We are speaking of the forthcoming Greenville County Recreation Commission General Obligation Bond Series 1982.

We wish to commend the Greenville County Recreation Commission under the leadership of Mr. Frank Folk for their farsightedness in this recommendation.

Enlightened actions such as these are prominent examples that tell the world that Greenville is a progressive and dynamic community in which to live.

We understand that there are many competing programs for funds when you consider the broad population base of the county. The recreational aspects of swimming are well recognized. The programs that can be planned for physical therapy of the disabled or handicapped are self evident. The use of swimming as a healthful sport and exercise for all age groups is continuing to grow in recognition.

The potential of using this site for national competitive swim meets would focus nationwide media attention on Greenville as did the Fidelity Federal Open several years ago. We want you to know that the groups we represent support and recommend affirmative action on the vote for the bond issue. Such action on your part visibly contributes to the outstanding quality of life in Greenville County.

Sincerely,

SAIL(Swimming Association Invitational League)
GRY (Greenville YMCA Swim Team)
PAC (Paladin Aquatic Club)

On behalf of the swimmers who have earned their entry into this meet by their individual achievements, the Swim Association Invitational League welcomes you to the 1982 Championship Swim Meet.

Many people deserve thanks for the help given to make this meet a reality.

Special thanks, however, are extended to:

- the parents of the swimmers for providing taxi service and encouragement.
- the coaches for sharing their knowledge and for adding that extra bit of enthusiasm.
- the officials who are volunteering their time to make this meet as fair as possible.
- the residents of Wellington Green for providing the facility and for putting in the hard work necessary to prepare for the meet.

Special Acknowledgements are extended to:

WAIM - Rock-101
A - 1 Secretarial Services
George Henderson of Spartan Timing
The Gant Rescue Squad

ABOUT SEEDING

This year's program does not contain seeding of lane assignments. These lane assignments will be made in the clerk of course area. In the championship, each event will have 3 heats of six swimmers each, with the fastest 6 swimmers in heat 3. In the classic, each event will have 2 heats of six swimmers each, with the fastest 6 swimmers in heat 2. Within each heat, the fastest swimmer usually will have lane 3, the next fastest lane 4, the next lane 2, the next lane 5, the next lane 1 and the next lane 6. All entry times for the championship and classic are obtained from the swimmers' times in the Division Championship swim meets conducted July 17, 1982.
