## S.A.I.L. IS SWIMMING IN GREENVILLE

S.A.I.L. is the Swim Association Invitational League, founded in 1964 and composed of 30 local pools with over 2,700 swimmers.

Originally founded as "PYA" (Parent Youth Association), the swimming league began with four teams: Stone Lake, McCarter, Botany Woods, and Chetsu. In 1965, the name was changed to S.A.I.L. Early in the 1970's three divisions were formed due to the rapid growth: Red, White, and Blue. Continuing to expand and grow, S.A.I.L. later added two more divisions: The Green and Gold.

During the eight week season of S.A.I.L. swimming, dual or tri-meets are held, each at local community pools in the Greenville area. These meets lead to the Divisional Championships, when all 2,700 swimmers compete for individual and team honors in five locations in Greenville. It takes about 350 officials to run this large meet. These officials are parents who have gone to clinics to be certified as timers, referees, stroke judges, starters, clerks of course, and records officials. This one day of the Divisionals is probably the biggest day of swimming in the United States. At the Divisionals, the children, ranging in age from 8 and under to age 18, swim their best strokes of short free, long free, breast, back, butterfly, and individual medley. They may choose three of these strokes and compete within their age bracket. There are 80 events in all scheduled at each Divisional. There are also team relays in each age group.

Culminating the S.A.I.L. swim season are the Championship and the Classic, where the top swimmers from each age group compete for medals. The Championship brings together the 13th through 30th place best swimmers into competition for each individual event. The following day, the Classic matches the top 12 swimmers in each event and each age bracket. Many previous year's records are broken by these outstanding swimmers.

With its broad and diversified program, S.A.I.L. provides each swimmer with the capability of spring-boarding to national programs. S.A.I.L. swimmers have participated in state, regional, national, and international meets as a direct result of this program.

S.A.I.L. is for the young people. The goals are to teach sportsmanship, physical fitness, discipline, and team spirit. S.A.I.L. is a unique program, probably the largest swimming association in the country. This is due to the dedication of these swimmers, the parents who volunteer their time and support, the determined coaches, and the outstanding enthusiasm of the community.

## ABOUT SEEDING

This year's program does not contain seeding of lane assignments. These lane assignments will be made in the Clerk of Course area. In the Championship, each event will have three heats of six swimmers each, with the fastest six swimmers in heat 3. In the Classic, each event will have two heats of six swimmers each, the fastest swimmer usually will have lane 3, the next fastest lane 4, and the next lane 2, the next lane 5, the next lane 1 and the next lane 6.

All entry times for the Championship and Classic are obtained from the swimmer's times in the Division Championship swim meets conducted July 16, 1988.

A SWIMMER'S PRAYER

Dear God, another swimming meet  
Is scheduled for today.  
I'm going to be quite busy  
So, I won't have long to pray.

Bless my Mom, Dad and Coach  
And keep us close to you.  
Let the friends I make today  
Be loyal, good and true.

Please help me not to forget you, God,  
Each time I take the blocks.  
I sometimes get distracted by  
The noise and all the clocks.

Let my starts and turns be quick  
My arms and legs be sure.  
And help my strokes be smooth and strong  
To help me to endure.

Help me find the confidence  
I've struggled for so much,  
So I can find the shortest way  
From start to final touch.

And when the droll computer  
Writes my times across its face  
Please let me not think win or lose  
But how I swam the race!
