## S.A.I.L. ENTERS A NEW DECADE

S.A.I.L., the Swim Association Invitational League, founded in 1964, is beginning its fourth decade. What began as the Parent Youth Association, PYA, with four teams, is now a league of twenty-nine teams from over thirty-five subdivisions. Three of the original teams, Botany Woods, McCarter, and Stone Lake, are still with us. In 1965 the name was changed to S.A.I.L. Very soon after that, rapid growth resulted in the formation of three divisions. As we celebrate our Thirty-First Birthday in 1995, we now have six divisions.

This phenomenal interest in swimming in the Greenville area has spawned several quality year-round programs. Many of our former S.A.I.L. swimmers have improved their skills in these programs and have not only gone on to distinguish themselves on collegiate and national levels, but have also returned to our community pools to teach and motivate the swimmers you will see today. TEAM GREENVILLE, the program run by our host, the Greenville County Recreation District, can boast the membership of a Masters World Record holder.

The Championships and Classics swim meets are the culmination of an eight-week season which begins with five dual or tri-meets. Each division then holds a combined meet where swimmers compete for individual and team honors. The swimmers in each age group who achieve the top forty times in sixty individual and twenty relay events from across the six divisions, qualify for the meets this weekend. The seventeenth through fortieth times qualify for the Championships held on Saturday, while the first through sixteenth times compete in the Classics on Sunday. Each swimmer will receive a medal for every event in which he or she participates.

The goal of S.A.I.L. is to teach our young people sportsmanship, physical fitness, discipline, and team spirit. The success of S.A.I.L. is due to the dedication of the swimmers, the determination of the coaches, the unselfish nature of hundreds of parents, and the outstanding support and enthusiasm of the community.

## A SWIMMER'S PRAYER

Dear God, another swimming meet  
Is scheduled for today.  
I'm going to be quite busy  
So, I won't have long to pray.

Bless my Mom, my Dad, my Coach,  
And keep us close to You.  
Let the friends I make today  
Be loyal, good, and true.

Please help me not forget You, God,  
Each time I take the blocks.  
I sometimes get distracted by  
the noise and all the clocks.

Let my starts and turns be quick,  
My arms and legs be sure.  
And help my strokes be smooth and strong  
To help me endure.

Help me find the confidence  
I've struggled for so much,  
So I can find the shortest way  
From start to final touch.

And when the droll computer  
Writes my time across its face,  
Please let me not think win or lose,  
But how I swam the race.

# "The Best Just Got Better"

YSSC is pleased to announce that Tom Callaway, long time stroke technician and trainer of swimmers in the Greenville area will be joining our staff of coaches at the Greenville training site, Furman University pool. We are excited to have him available to new and existing YSSC swimmers who are looking to improve their stroke, turn and race techniques. Starting in September he will hold these great sessions for swimmers looking to transition into year round swimming with a brush up on their skills, and for summer swimmers looking to keep current during the winter within the established framework of the upstates most successful program.

Tom's expertise is well known throughout Greenville. Having coached six different SAIL teams as well as the old Paladin Aquatic Club, and as the creator of the winter Pre-SAIL concept at the YWCA that he has run since the mid 70's, he has started out many of Greenville's top swimmers over the years. **At YSSC, we believe that proper technique is essential to optimizing a swimmers talent, and our addition of Tom to the staff with his program is proof of our commitment.**

Class size will be limited for the maximum impact for your swimmer, as Tom is in the water much of the time with them. If you have a question about whether his program is right for your swimmer, call Tom as soon as possible so he can perhaps make a point to see them in action at your Division meet, or at Classics or Championships in late July. Get your name on the list early, as word gets out this program will fill up quickly.
