SEVERE WEATHER PLAN

Please note, in the event of severe weather, all spectators must remain seated inside the building. Going outside to look for your child will create confusion. Swimmers will be escorted inside as quickly as possible and seated at the far end of the pool. Thank you for your cooperation.

The Greenville County Recreation Department staff will be in contact with the National Weather Service in Greer to monitor potentially bad weather in the area to eliminate the element of surprise.

It is at the referee's discretion whether or not to stop the meet. The meet referee, a Greenville County Recreation District representative, a lifeguard, the President of SAIL and the meet director will decide when the meet shall resume.

S.A.I.L. CONTINUES TO GROW

S.A.I.L., the Swim Association Invitational League, founded in 1964, is in its fourth decade. What began as the Parent Youth Association, PYA, with four teams, is now a league of thirty-one teams from over forty subdivisions. Three of the original teams, Botany Woods, McCarter, and Stone Lake, are still with us. In 1965 the name was changed to S.A.I.L. Very soon after that, rapid growth resulted in the formation of three divisions. As we celebrate our Thirty-fifth Birthday in 1999, we now have six divisions.

This phenomenal interest in swimming in the Greenville area has spawned two quality year-round programs, TEAM GREENVILLE and Y-SPARTAQUATICS. Many of our former S.A.I.L. swimmers have improved their skills in these programs and have not only gone on to distinguish themselves on collegiate and national levels, but have also returned to our community pools to teach and motivate the swimmers you will see today.

The Championships and Classics swim meets are the culmination of an eight-week season which begins with five dual or tri-meets. Each division then holds a combined meet where swimmers compete for individual and team honors. The swimmers in each age group who achieve the top forty times in sixty individual and twenty relay events from across the six divisions, qualify for the meets this weekend. The seventeenth through fortieth times qualify for the Championships held on Saturday, while the first through sixteenth times compete in the Classics on Sunday.

The goal of S.A.I.L. is to teach our young people sportsmanship, physical fitness, discipline, and team spirit. The success of S.A.I.L. is due to the dedication of the swimmers, the determination of the coaches, the unselfish nature of hundreds of parents, and the outstanding support and enthusiasm of the community.

The 1999 Championships and Classics Meet Dedication

The 1999 Championships and Classics Meet is dedicated to five men who have given much of their "free time" to help make life much easier at Divisionals, and Championships and Classics. These "dads" of (graduated or soon to be) SAIL swimmers have worked behind the scene for up to 10 years. Clay Aldebol (KNW), Gary Ashford (DEV) and George Bynum (WHG & FW) have written software, operated the computer systems, and supplied the hardware and the technical know-how to automate Divisionals, and Championships and Classics recordkeeping. Bill Englisbe (HL) provided software to help track swimmers and team times through the five-meet season and help coaches prepare for Divisionals. Steve Heckman (DEV) has been SAIL President and managed the Awards Center at Championships and Classics for many years. A very heartfelt thank you is extended to each of these gentlemen (and their families) for their dedication and effort spent for the benefit of our children.

INVOCATION

Dear God, please bless and protect all athletes as we swim today. Help us to do our best and to compete in a fair and decent manner. May the actions of today not separate us, but unite us in your love. Win or lose, let us realize how fortunate we are to be athletes and able to compete. AMEN.

A SWIMMER'S PRAYER

Dear God, another swimming meet
Is scheduled for today.
I'm going to be quite busy
So, I won't have long to pray.

Bless my Mom, my Dad, my Coach,
And keep us close to You.
Let the friends I make today
Be loyal, good, and true.

Please help me not forget You, God,
Each time I take the blocks.
I sometimes get distracted by
the noise and all the clocks.

Let my starts and turns be quick,
My arms and legs be sure.
And help my strokes be smooth and strong
To help me endure.

Help me find the confidence
I've struggled for so much,
So I can find the shortest way
From start to final touch.

And when the droll computer
Writes my time across its face,
Please let me not think win or lose,
But how I swam the race.
